PHOENIX, Jan. 2, 2019 /PRNewswire/ -- Troxell, a national leader in education technology & collaboration solutions for more than 60 years, is happy to announce Demitrious Emery as the new Account Executive for the Indiana Territory. He will work closely with school districts throughout Indiana in order to provide the best education technology solutions to fit their needs and initiatives. Demitrious is taking over the territory from Jill Perdue, who recently departed the company.

"Remembering a quote from John F. Kennedy, 'Leadership and learning are indispensable to each other'," said Demitrious Emery. "I'm genuinely excited that, as a part of the Troxell team, I can directly help Indiana educators leverage the best technology tools to teach and give our students what they need to become leaders."

"Demitrious brings over 15 years of experience helping customers successfully solve problems and implement complex solutions," said Dottie Stewart, Troxell's Regional Vice President of the Central and Northeast Territories. "He will be a great asset in working with schools to find the right tools to meet their technology goals. We are very excited to have Demitrious join our team! "

Demitrious recently joined the Troxell team as an Account Executive covering his home state of Indiana. With over 20 years of technology sales experience, he is looking forward to assisting Indiana's education community in leveraging technology to enhance the learning experience and empowering teachers. Demitrious is an advocate of using effective learning technologies such as 1:1 learning and STEM/STEAM curriculum to prepare Indiana students for the future.

You may contact Demitrious Emery at his office phone: 317-296-5893, his cell phone: 317-619-4820, and his email demitrious.emery@trox.com.
